

Requesting an Appointment Guide

Have handy your vision insurance information. Questions regarding insurance? Please click [HERE](#).

1. Select New Patient Eye Exam or Established Eye Exam. See the guide below to help you make the correct selection.

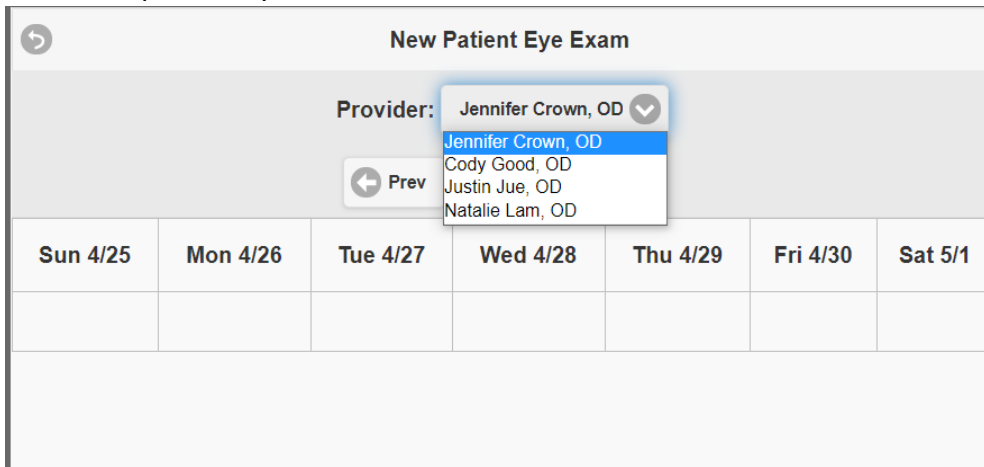

New Patient – If it's your first visit to My Little Eye Shop LLC, then you are considered a new patient. Welcome! (Even if you have visited other Costco Eye Clinic locations, you would be considered a new patient at My Little Eye Shop LLC because **all of the eye clinics within a Costco are independently run**)

- It's been longer than 5 years since your last visit to our clinic.

Existing Patient: Comprehensive – If you are a returning patient to My Little Eye Shop LLC, then you are considered an existing patient.

- If you have been seen at our clinic less than 5 years ago.

2. Select the provider you wish to schedule with.

- Use the arrows to toggle through the available appointment times for the provider you selected and choose the desired appointment time.
